Here's what others are saying:

"Thank you for providing this valuable resource for pain education and related issues that assist us as healthcare professionals to address the complexity of patient care needs in a variety of healthcare settings."

– Susan Pendergrass, MSN, MEd, FNP, BC

"Purdue's Medical Education Resource Catalog is a very user-friendly website. It's quick and easy to search by topic or discipline and not only does the user get a quick summary of the item, but the site also makes suggestions of other useful resources to consider."

– Angela Cole Westhoff, MA

"Thanks for all of the work you do to supprt continuing education.
Better education=better patient care!"

– Julia Teal, BSN Student
